

Hot Tub Hot Tips

For the BEST experience in the inflatable hot tub, remember these simple tips!

Keep The Water Clean And Clear

Shower before you use the hot tub
Brush off your feet before entering
Change the filter every morning with a cleaned filter
Add chlorine and PH+ as instructed by us

****The cleaner you are... The cleaner the hot tub stays****

Watch The Temperature

Keep an eye on water temperature. Constant use of the air-jets and leaving the lid off will cool the water quickly.
It can take around 1 hour per degree to heat

Replace the lid when not in use
Use all the clips on the lid and pull straps to tighten

The MOST important tip

If you have any questions or issues
please get in touch with us!
We want you to have the BEST time!
